

i-pay | PAYMENT SOLUTIONS

Powered by **iwatg**

HOW IT WORKS

A payment platform specially designed for the travel industry

Backed by IWTG, an industry-specialized IT company with innovative solutions approved by the IDB.

Proven experience in reservation, check-in, and BSP systems; compliant with NDC (IATA).

THE INTERACTION PROCESS

1. The user selects the desired service
2. The user places an order
3. iwtg.com manages authorization
4. iwtg receives a response and stores the data
5. If authorization is given:
6. The company receives purchase confirmation
7. The company generates e-tickets along with their confirmations
8. If authorization is not given:
9. The company and the customer receive a corresponding notification
